[Expired smoke alarm](#)

It is time to take action as once again graffiti has been plastered across our city's assets - namely the newly laid concrete of Ernie White Park Crestmead / Marsden.

Somebody must recognise the style of the pictured damage. Perhaps someone even witnessed it being done. Please contact the police or this newspaper if you know something about this.

As for our State leaders, perhaps they should hold their next community cabinet here to find out just what happens in Logan.
